Industrial & Hospitality Catering

“Delivering dynamism, diversity and distinction”

Kuwait being a business hub with huge industrial conglomerates, giant corporate bodies, medium and small scale business units, the need for industrial and institutional catering has been profound wherein volumes of workforces in highly varied work conditions are in need of proper nourishment in body and mind. This is where KPFCO's industrial & institutional catering comes to limelight. We at KPFCO catering provide simple menus keeping in mind the nutritional content at reasonable prices. Our central kitchen, strategic locations, direct import & export, approved fleet and mega warehousing facility, ensures top quality products and allows us to pass on benefits of large purchase power to our clients. Here we exceed our competition and gain an edge over them. Furthermore we engage in regular consultation with clients in the preparation of menus and listen to their needs and wishes as a part of our continuous food safety and quality improvement program.

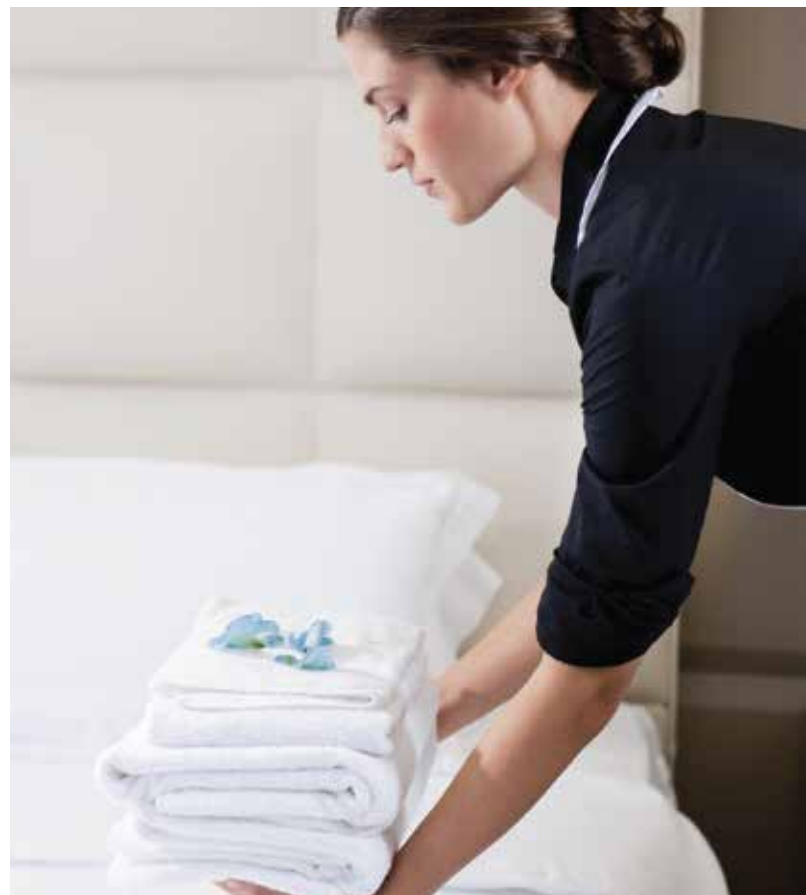

02

Total Facilities Management

“Setting up the set-up”

No more worries about finding the right service contractors, managing schedules and costs in the field of facilities management including that of remote camps. Managing complex and diversified facilities in multiple locations keeping high quality and controlled cost is our core competence on which you can rely on. We undertake setting up of remote camps and related facilities for varied clientele. Based on customer specification, the land is set and the structure is erected to be developed into fully furnished turn-key projects. In the process the full spectrum of activities right from the design & build of camp structures to total facility management including all operational and management support for our clients are taken care of.”

Outdoor Catering

“Professional partners on your occasion”

We cater to outdoor events with bespoke service to private with corporate clients with a range of stylish, friendly and professional corporate lunches, formal dinners and theme parties by creating individual menus to suit their exact tastes and needs. Our experienced planning staff can also guide you in making your off-premise catering a memorable one be in the park, parking lot or your courtyard. All our parties include on-premise cooking, chefs, cooks, servers and your choice of themes.

With adequate inventory of professional catering equipment and accessories we assist you even tents, tables and chairs rental and all other setup, clean-up, teardown and as-requested amenities, while you can sit back and look forward to enjoying the festivity.

04

Arabic and Indian Bakery

We produce all varieties of bakery products such as croissants, biscuits, cup cakes, slice cakes and various types of muffins in all flavors we offers a full line of Arabic pastries and India. Established a tie up with Lazeez Sweets & Pastries of UAE, one of the pioneers in this field for the last 22 years. Under their supervision, we manufacture and distribute fresh and frozen packed samosas, spring rolls and kubba under the brand name 'Lazeez'.

KPFCO offers a full line of Arabic pastries and Indian pastries. KPFCO now not only offers the best pastries but also has expanded to providing a vast variety of the best multi-cuisine, cakes, desserts, unique catering and much more.
